# PETERS WERFT TRADITION

Whether it's about new building, conversion, refit, maintenance or repair – our qualified personnel always find bespoke solutions – tailor-made in Germany. We set great store by high quality and environmental standards, and meet the highest demands and requirements of our clients. Openness and trust are the very foundation of a successful partnership.

# PETERS WERFT TEAM

The team is the heart of our company. Flat hierarchies and our hands-on attitude guarantee a smooth workflow and a high degree of transparency for the client. At Peters Werft, we work hand in hand in a collaborative atmosphere to ensure that all our processes work smoothly.

# PETERS WERFT FACILITIES

A world-class shipyard with state-of-the-art facilities: Peters Werft shipyard is conveniently located on the river Elbe, right between Hamburg and the North Sea. Peters Werft has two large, modern dry docks with flexible protection halls, crew offices with well-appointed galleys and modern storage sheds. The outfitting quay is fully equipped with all necessary infrastructure.
